**COMPETITION PATH** Length 1km, marked with strips. The path is on a OPEN cycle track. The competitors are recommended to keep right and pay attention.

**PROCEDURE** In every station the competitor receives a bunch of 5 loose maps. The competitor can request the bound maps if he/she wishes. Likewise, he/she can request to give the answers pointing at the letters. The official will declaim the formula “6 flags, ALPHA – BRAVO – CHARLIE - DELTA - ECHO - FOXTROT– Time starts now!”. Only at this moment the competitor can open the bunch and solve the first question and the followings. It is not possible to go to the next map before answering the previous, or go back to the previous map. Time limit for every station is **150 seconds**. 20sec before the term the official will warn the competitor saying “20 seconds!”.

**ANSWERS** The answers must be given clearly using the english phonetic alphabet (**Alpha, Bravo, Charlie, Delta, Echo, Foxtrot, Zero**). After completing a station, the competitor goes on along the path till the STOP sign, and wait the call to the next station.
